Watch Learn **Drive.com** Ltd t/a SmartDriving — Driving Instructor Platform

*Effective date: 21st May 2026

*Last updated: 21st May 2026

1. About this policy

This Cookie Policy explains how Watch Learn **Drive.com** Ltd, trading as SmartDriving ("we", "us", "our"), uses cookies and similar technologies on the SmartDriving driving instructor management platform (the "**Platform**"). It should be read together with our [Privacy Policy](#).

2. What are cookies?

Cookies are small text files that are placed on your device when you visit a website or use an app. They allow the site to remember you, your preferences and your activity. Some cookies last only for the duration of your visit ("**session cookies**"); others remain on your device until they expire or you delete them ("**persistent cookies**").

We also use similar technologies such as local storage, session storage and pixel tags. In this policy we refer to all of these as "cookies".

3. The cookies we use

We use cookies for the limited purposes set out below. **We do not use cookies for advertising or behavioural tracking on the Platform.**

3.1 Strictly necessary cookies

These cookies are essential for the Platform to function. Without them you cannot log in, make a booking or take a payment. They do not require your consent.

Cookie	Purpose	Duration
Session cookie	Maintains your logged-in session	Session
CSRF token	Protects forms from cross-site request forgery	Session
Authentication "remember me" token	Keeps you signed in across visits if you choose this option	Up to 30 days
Two-factor authentication cookie	Remembers verified devices for two-factor authentication where you enable that option	Up to 30 days
Cookie preferences	Remembers your cookie choices	12 months

3.2 Functional cookies

These cookies are not strictly necessary but help the Platform work better. We ask for your consent before setting them.

Cookie	Purpose	Duration
UI preferences	Remembers settings such as dark/light mode and chosen view options	12 months
Recent items	Remembers recently viewed pupils, lessons or pages	12 months

3.3 Third-party cookies

The Platform integrates with the following third-party services, which may set their own cookies when their features are used:

- **Stripe** — for payment processing and fraud prevention. Stripe is a separate controller for these cookies. See stripe.com/cookie-settings.
- **Google Maps** — when a map is displayed within the Platform. See policies.google.com/

[technologies/cookies.](#)

We do not have access to or control over these third-party cookies. Please see the relevant third party's own cookie policy for full details.

We do not use Google Analytics, Facebook Pixel, advertising networks, or behavioural-tracking tools on the Platform.

4. Managing cookies

You can manage your cookie preferences in two ways:

- **In the Platform:** through the "Cookie preferences" link in the footer at any time.
- **In your browser:** through the browser's privacy or cookie settings. You can block or delete cookies, but if you block strictly necessary cookies the Platform will not work correctly.

Browser-specific guidance:

- **Chrome:** support.google.com/chrome/answer/95647
- **Safari:** support.apple.com/guide/safari/manage-cookies-sfri11471/mac
- **Firefox:** support.mozilla.org/en-US/kb/cookies-information-websites-store-on-your-computer
